**KUALA LUMPUR:** Datuk Prof Dr Mohd Noh Dalimin has been reappointed as Universiti Tun Hussein Onn Malaysia (UTHM) vice-chancellor for a two-year period effective yesterday.

This is Mohd Noh's third term as the university's vice-chancellor since his first appointment in 2008. His second appointment was in 2011.

According to a statement from the Education Ministry here today, the reappointment of Mohd Noh was based on his excellent achievement in ensuring the process of transformation of UTHM from a university college to a university proceeded smoothly.

"He had also achieved the target established by the ministry in the National Higher Education Strategic Plan. His reappointment can ensure the continuity of the national education long term plan especially at the Pagoh Educational Hub," according to the statement. BERNAMA
