

Sultan admitted for mild infection

JOHOR BARU: Sultan Ibrahim Ibni Almarhum Sultan Iskandar has been warded for a mild viral infection and gastritis.

According to his official Facebook page, the Johor Ruler was admitted to Hospital Sultanah Aminah here yesterday upon the advice of his doctors. He is expected to be discharged in the next two days.

The FB post garnered more than 3,100 likes, over 700 comments and at least 400 shares.

Johoreans and netizens sent their prayers and well-wishes for Sultan Ibrahim to get well soon.
