Q1

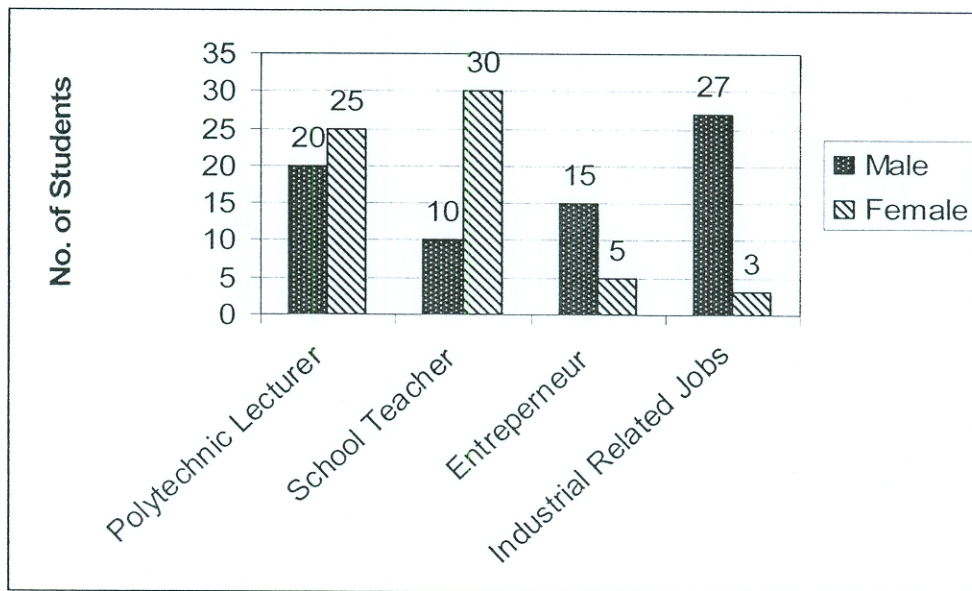

There have been queries from prospective international students intending to study in Kolej Universiti Teknologi Tun Hussein Onn (KUiTTHO). As a student leader, you have been asked by the management of the university to write an essay to describe the academic programmes, facilities, staff, students, activities and other necessary aspects of the university college. Start your description with a brief introduction and end it with a good conclusion. You are encouraged to organize your writing in paragraphs and use headings and sub-headings where appropriate.

(40 marks)

Q2

You have carried out a survey to find out the career choice of students from the Faculty of Education. Based on the information presented in Figure 1, report and provide the conclusions.

Figure 1. Students Career Choice
