(10 marks)

Q2 You are conducting a small-scale study entitled 'The Learning Styles in Learning English Among UTHM Students'. You plan to distribute a set of questionnaire to the students in order to collect the information. The following are types of questions available that you can use in designing the questions. Write **two (2)** questions for each of the following types. Do not include personal particular questions such as age or gender.

- (a) Multiple choice
- (b) Ranking
- (c) Yes/No
- (d) Scale/rating
- (e) Open-ended

(10 marks)

Q3 You are staying in the UTHM residential college, which is situated in the campus. Throughout your stay you notice that the surrounding is dull and boring. You feel that this situation has affected students in terms of their mood and their motivation to study. Write a proposal to the college principal about what students can do to make the surrounding cheerful and beautiful so that they are happy staying in the hostel. The proposal should include the following components.

- (a) Problem Definition
- (b) Objectives
- (c) Proposed Solution
- (d) Programme

(40 marks)

Q4 Figure 1 below shows the average book prices in Malaysian Ringgit. In about 300 words, describe the information shown.
